MaxGrip® Shoe Covers

Maximum Grip Protection

Features & Benefits: The MaxGrip shoe covers are ideal for those areas where slip & fall protection is needed in damp to dry areas. The anti-skid properties of the MaxGrip sole have outstanding performance on a variety of surfaces and in a number of applications. The upper material used with the MaxGrip sole is made of BarrierTech® that provides particle holdout and protection from fluids and light chemical splash. Available in Cleanroom white and five sizes (S, M, L, Univ., XL) to ensure a proper fit. MaxGrip is suitable for use in a Controlled Environment.

Construction Details: MaxGrip skid resistant sole with serged seams.
