

SterileSorb™ Wipe

Sterile hydroentangled nonwoven wipe

Contec's SterileSorb™ sterile hydroentangled polyester/cellulose nonwoven wipes are ideal for general purpose cleaning in sterile environments. Packaged in our sterile peelable outer bag and linear tear inner bag specifically designed for sterile products. Embossed lot numbers on both inner and outer bags ensure lot traceability. Sterile validation reports are available upon request.

SterileSorb is ideal for general purpose cleaning in biotech, pharmaceutical, and medical device manufacturing environments.

SterileSorb™ nonwoven wipes are packaged in our sterile peelable outer bag and linear tear inner bags.
