

STAINLESS STEEL CART WITH CHARGING BUCKET

Combining High Efficiency with High Value

Our entry-level cart offers superior performance features over traditional options, including a modular design, patented arched charging buckets, and our Hands-Free Mop Drop System.

Features and Benefits

- 316L electropolished stainless steel
- Recess-free cleanroom welds
- Extreme durability with easy cleaning
- Efficient batch preparation for up to 10 mops
- Hands-free mop attachment and removal to minimize the spread of dirty cleaning solutions
- Charging buckets with arched bottom for easy frame insertion
- Modular design enables easy upgrade to premium options
- Seamless integration with Saturix handles, frames and mops

Item	Dimensions (LxWxH)	Weight
HC102	24" x 25" x 40" (61 cm x 63 cm x 102 cm)	31 lbs (12.2 kg)
